

DESIGNING A PAPER AIRPLANE

GOAL

- To encourage team work

MATERIALS NEEDED

Masking tape, paper clips, sheets of 8½" x 11" paper.

METHOD

Divide the group into triads and give the following instructions:

As a team, make an airplane using the materials provided. The goal is to have a design that will fly the longest distance. There is a time limit of 4 minutes to complete the task. Each team will have 2 opportunities to demonstrate how far their plane will travel.
